

## **Closet Circle Features**

### Add Post Listing

- Users can upload a post for a product which will be displayed on the user's profile and on the explore page
- Products can be listed as either 'For Sale' or 'For Rent'
  - 'For Rent' price is per day
- Users fill out details for the product title, description, price, audience, clothing type, clothing colors, condition, and size
- Image links are used for pictures of their clothing items

### Order and Seller History

- Displayed from Profile Page sidebar
- Order History tab: A user can view their purchasing and borrowing history
- Seller History tab: A user can view which of their clothing items have been bought or borrowed by other users

### Followers and Following

- Displays users that this user is following and followers of this user
- Can click on the user to navigate to their profile page

### Explore Page

- Displays all products uploaded by users
- Users can add items to cart from the items listed by clicking 'Purchase' or 'Rent'
- Items are shown as 'Unavailable' after they are purchased/borrowed at checkout
- Users can view other users' profiles by clicking on the item shown on the explore page

### Cart

- Add items to cart from the Explore page
- Items listed for rent are labeled as "Request to Rent" in the cart
- Free shipping over \$30
- Show subtotal
- Tax is applied as 9.3% of subtotal
- Have a grand total
- After checkout
  - Items listed are added to the seller history and the user's order history
  - Items are listed as Unavailable on Explore and Profile Page

### Filters

- Posts can be filtered by audience, type, color, size, condition and price
- Provided on the explore page and when viewing other users' profiles

### Wishlist

- Click the heart on the product listing to add an item to the wishlist
- Access your wishlist by clicking the heart icon at the top right of the screen
- Remove from wishlist by either clicking the heart again (changes to unfilled) or clicking "Remove from favorites"

### User Accounts

- Uses authentication as a service integrated with our application for secure login and sign up
- Users continue their account creation with Closet Circle by filling out their first name, last name, and bio which will be displayed on their profile page
